#2 new,
I realize this is pretty
skippy reading but because
of the Holiday next week we
had to get the info to DDA/MS
one day early. Had, being
pressed for time, we didn't
have the opportunity to "fine
tune" the original input
nor provide more substantiated
material as we usually
do.

P.S. We worked it yesterday,
8 Oct 86.

MEMORANDUM FOR: Deputy Director for Administration

FROM:

[REDACTED]

Director of Security

STAT

SUBJECT: Office of Security Significant Activities
Week of 2 - 8 October 1986

1. This memorandum is for information only.
2. The activities of the Office of Security (OS) during the week of 2 - 8 October 1986 were highlighted by the following items:
 - *a. On 3 October, OS representatives attended a meeting at the Pentagon, along with OL, OC, and IMS representatives, concerning the planned restructuring of the Armed Forces Courier Service (ARFCOS.) The planners are looking for inputs from user organizations concerning our requirements and growth projections. It was pointed out that in the future, system users will be required to help fund the program, a departure from current practice.
 - b. The in-bound barrier at the DCI Tunnel malfunctioned on 3 October catching the tail pipe of the Secretary of Defense's chase car. There was minor damage to the vehicle and no injuries. The problem was diagnosed as mechanical, not human error. The barriers are again in proper working order.

*d. On 8 October, OS officers met with the Chief, Foreign Operations Division, DOS, regarding access of Marine Security Guards (MSG) to CRAFT areas overseas. Details were worked out to allow restricted access to afford the MSGs an opportunity to conduct security and safety inspections. The MSGs will not have free access to these areas. This policy was agreed to between the D/OS, CIA, and D/DSS, Department of State.

e. A conference for OS Wang system administrators is being hosted this week by OS's ADP Branch. Representatives from all [] are here to attend classes that have been arranged at [] In addition, the Administrators are receiving a general orientation with their counterparts in Clearance and Security Records Divisions.
